2020 ACHPro™ CD-ROM Errata #1-2020

Following is a correction to the quiz of the 2020 ACHPro™ CD-ROM. Please be sure to note this correction as you work through the quiz questions:

- **Question:** How long does an ODFI have to keep a copy of the original item relating to an XCK entry? – Due to an editing error, the game indicates a correct answer of 7 years. **The correct answer is 6 years.**

If you have any questions or need additional information regarding this correction, please contact NEACH at info@neach.org or 781-321-1011.
